

# LGX® Fiber Termination Shelves

## High Density Frame Mount Fiber Access Units

### Options

The OFS LGX® Fiber Management Shelves are the original fiber frame solution. Complete existing 23” or 19” fiber frame installations with this time tested product. The LGX Shelves are available in 7, and 9 inch high versions. These base products are combined to create “design specific” solutions. They can also hold many of the industry standard adapter types like the LC, SC, ST or FC. A comprehensive solution is available for your application need.

7” Front Access Shelf

7” Termination Shelf

### Key Product Features

- Indoor Fiber Management
- Frame Mount in 23” or 19”
- Universal frame/wall mount brackets included
- Fiber Management Rings Included
- Front and rear door access
- Wall Mountable
- Front Access only available
- Key Lock Door Available
- Shelf Heights 7, and 9 inch
- 17” W x 11.5” D
- Fiber Jumper Management
- Splitter Management Capable
- WDM Management Capable
- 7” Shelves use 1000 series panels
- 9” Shelves use 1200 series panels
- White and Black Color Options\*

7” Termination Shelf Shown Equipped With Adapters.  
Shelves are sold with and without adapters( See ordering guide).

### Value

The LGX Shelf system is a versatile system of optical cable management boxes, which can be configured in many ways. Load these units with terminated cables or combine shelves with splice units. Mix and match adapter panels to configure your shelves with LC, SC or ST type adapters. Contact OFS to help with pre-assembled configurations which speed installation time.

### Attributes

7 or 9” H
17” W X 11.5” D
~5lbs Empty Weight
~9lbs Shipping Weight
Rolled Sheet Metal
Powder Coated Paint
Common Key Locks Available

### Rely on OFS

No one has more experience in making complex fiber networks simple, cost effective, and easy to manage. Our versatile fiber management products will help simplify the work you do, saving time and money.

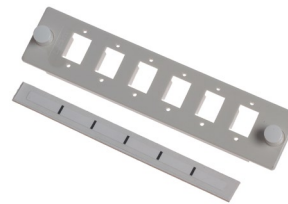

\*Color options on 7” shelf only
