

MPO Plug and Play Cassettes

Cassettes and Modules

ARIA's MPO Plug and Play Cassettes are LGX format cassettes that transition between MPO and LC or SC connectors.

These cassettes are used to interconnect MPO backbones with LC or SC patch cords.

The cassette faceplate features SC or LC adapters and the rear of the cassette features MPO adapters.

Various mounting options are available to mount the MPO Plug and Play Cassette in a rack or on a wall.

Available Formats

12 Fiber SC to
12 Fiber MPO

12 Fiber LC to
12 Fiber MPO

16 Fiber LC to
Dual 12 Fiber MPO
